By signing below, I (or my authorized representative on my behalf) authorize Florida Keys Urgent Care and its staff to conduct diagnostic examinations, tests and procedures to assess, diagnose, and treat my illness(es) and/or injury(ies). I authorize Florida Keys Urgent Care to provide medications, treatment, or therapy necessary to effectively assess and maintain my health. I understand that it is the responsibility of my individual treating healthcare provider(s) to explain to me the reasons for any particular diagnostic examination, test or procedure, the available treatment options and the common risks. It is my responsibility to pay for services rendered. I understand that Florida Keys Urgent Care will collect payment from my insurance company(ies) on my behalf, but I am ultimately responsible for payment if my insurance does not cover my fees obtained at Florida Keys Urgent Care. I understand my care may have additional charges billed by outside facilities (i.e. labs, x-rays, and splints) that may not be covered by my insurance carrier and therefore will be my responsibility.

The majority of treatments performed at Florida Keys Urgent Care are considered to be minimal risk. It is policy of Florida Keys Urgent Care that if an adverse event occurs during your treatment, the medical team will initiate resuscitative or other stabilizing measures and transfer you to an acute care hospital for further evaluation. At the acute care hospital, further treatment or withdraw of treatment measures already begun will be ordered in accordance with your wishes, advance directive, or health care power of attorney.

If you do have an Advanced Directive or Living Will and wish to provide us with a copy of the document, we will place a copy in your medical record. In the event a transfer to a hospital is required a copy will be forwarded to the hospital.
